Marine Rescue Products Founder & President Rian Wilkinson with Sachuest Beach Lifeguards, Middletown, Rhode Island. Circa 1970

SERVING THE WORLD’S BEST LIFEGUARDS SINCE 1970

Proudly serving the rescue and recreational needs of municipalities, private and public beaches, parks, recreational facilities, fire and rescue departments and consumers for over 50 years. Our dedication to presenting only the very finest selection of quality products combined with our meticulous attention to customer service and competitive pricing make us the go-to resource for all of your lifeguard & rescue equipment, and apparel.
DeBug Wheelchairs

Unique design keeps you supported at an adjustable angle. May be scaled to fit any size person. All four wheels keep in contact with the ground on uneven terrain, making the De-Bug more stable and comfortable than fixed wheelchairs.

- High Grade Stainless Steel Construction
- Articulating Rear Wheels Rotate 360º
- Adjustable Tilt Angle • Rear Brakes
- Footrest • Headrest Option
- Swing-Away Removable Arm Rests
- Width: Beach 33.5”/Aquatic 27”
- Capacity 350 lbs. (650 lbs. Additional Fee)

Aquatic comes with standard tires, perfect for zero-entry pools. Tires can be easily changed for all-terrain use.

DeBug Beach Walker

SKU: DEBUG-WALK

Unique design is ideal for rolling over sand and other difficult terrain.

- Foldable aluminum frame makes it easy to store and transport.
- Adjustable push handles provide firm stability with precise positioning.
- Wheels and lower frame is durable and resistant to damage from sand and salt.
- Various models available.

MRP Beach Wheelchair

Features either 2 large & 2 small swivel wheels OR 4 large wheels, large storage area, brake, sliding footrest & umbrella. Lightweight, durable PVC frame.

WaterWheels® Wheelchair  SKU: WATERW

The ONLY floating wheelchair that has passed the rigorous RESNA tests (Rehabilitation, Engineering, and Assistive Technology Society of North America).

- High Flotation Armrests and Tires
- Folding Aluminum Frame
- Stainless Steel Fork, Axles and Hardware
- UV Resistant, Quick-Dry Seat for Durability and Comfort
- Three-Position Adjustable Backrest
- Easy Assembly within Minutes

Beach Access Mat  SKU: AM

Cool, even surface for walking, wheelchairs, and strollers. Extremely durable, lightweight polyester. Easy to install (hardware included).

- Blue or Brown  Standard Lengths 33’, 50’, 75’, 100’: 3’, 5’ or 6’ Wide

Over 40 years serving Aquatic Agencies Worldwide

Note: Aquatic Rescue & First Aid Care are specialized skills. All lifesaving personnel should obtain training from an accredited agency — Red Cross, YMCA, USLA, etc.

Rest In Peace, Bob

All of us at Marine Rescue Products have been extremely fortunate to have known Bob for 50 years. Bob has been an advisor, role model, inspiration, business partner, and most of all, a true friend. We will miss watching him compete, talking about his beloved USC Trojans and receiving his animated Christmas cards.

We wish the best to Bob's family and all his friends.

Rian, Sue, and Dan

Bob Burnside
Founder of Surf Saving International, which became Marine Rescue Products
